

Ref.: 11138 - Casa Emilia, Baschi, Umbria

Charming villa with stupendous views to Corbara

€ 680,000

The house is nestled into the side of the hillside and surrounded by a mature, terraced garden including a stunning infinity pool that gets the most of the extraordinary views. It would make a perfect holiday home because of its position and easy management. The house was built in the 1970's and the current owners carried out further works in 2006. Internally almost all the ground floor is taken up with an open plan living, kitchen and dining area divided by the unusual central fireplace. A traditional feel is given by the old cotto flooring, beamed ceilings and whitewashed exposed stone walls at the same time giving a sense of space and light. There is one bedroom and bathroom on the ground floor along with a large utility room. A wide gallery overlooking the living area provides another living space with three further bedrooms and two bathrooms on the first floor.
